I understand that I will be contacted immediately in the event that something unforeseen happens that needs my attention. I release the camp management and director in charge from all responsibilities in case of sickness or accident occurring during camp.

The Christian Churches in Georgia provide insurance on a **secondary or "excess" basis**. This means that if the injured party has other valid coverage, that coverage pays first and Camp insurance pays what the family's insurance does not pay. If the family has no other coverage, then Camp insurance will be primary coverage up to its limits. **I further understand that the camp management and director are not responsible for any medical expenses beyond the insurance policies coverage which is limited to illnesses and accidents which occur at camp and excludes pre-existing conditions.** I have provided proof of insurance to the camp.
