Insurance Board is a non-profit denominational program celebrating 30 years as a corporation this year. We offer a comprehensive insurance program that protects a church's unique risks such as: pastoral counseling, sexual misconduct, directors' and officers' coverage, among other complicated needs of churches and their ministries.

The Insurance Board (IB) is well-rooted with churches and their unique polity, leadership, and ministries because we were founded by church leaders. Even today, our Board of Directors is comprised of ministers and lay leaders associated with the three denominations we serve: United Church of Christ, Disciples of Christ and Presbyterian Church (USA). We have an all-inclusive program that serves the risk management and insurance needs of our churches in an unprecedented manner.

Some of our risk management services available to ALL churches within the denominations we serve include: abuse prevention program, electrical inspection program, risk management webinars and presentations, newsletters and more. Be sure to visit our website to see everything available to you at www.InsuranceBoard.org or contact Christopher at (404) 702-1115.

We look forward to helping you create a safe environment while accomplishing your God given vision.
